Local Swimmers Highly Rated

Swim Show Planned For County Fair on Tuesday

Don Whiteman and members of the Vulcan Swim Club are planning a water show to be presented on the second evening of the County Fair, Tuesday, Aug. 5 at 8 p.m.

Last year's presentation will be remembered by many as being both educational and entertaining and this year's program will measure up to the usual high standard.

To date, over 170 children and adults have received swimming instruction and the last classes of the year will get underway on August 6th. All interested in taking advantage of this opportunity should register now. Special attention should be taken that those registering for classes must attend regularly.

The value of the swimming pool here can be appreciated by the fact that enrollment in classes has been from every town and district in the county and many swimmers have come from other towns to receive their tests here.

The memorial swimming pool here is now recognized as one of the leading pools in the province in instituting the Red Cross swimming and water safety courses, and each year has graduated several instructors. In the past year four instances have been reported which might have ended tragically were it not for the training received at the memorial pool.

Ball Tournament At Lethbridge

The Lethbridge Rotary Club's International Baseball Tourney, August 8th and 9th, will be held on a brand new playing field in front of the Grandstand at the Exhibition Grounds. Rotary Officials expect thousands to watch this two-day, 7-game baseball classic. The first day, August 8th, will see four games scheduled with all eight teams in action. Paul Bozak, well known umpire from Moose Jaw will call "Play Ball" for the first game at 10 a.m. The second game will start at 12:30, following a brief break for dinner. The third game will get underway at 3, and the fourth and final game of the first day's play will start at 5:30.

Saturday, August 9th, will feature the semi-finals and the finals of this \$3650 Rotary Baseball Tournament with dollar signs depending on every pitch, on every play. The first semi-final will start at 12 noon and the second at 2:30. And then at 5:30, the two teams that will battle it out for top money of \$1400 will trot out on the field for the Big Final of the Lethbridge Rotary Club's International Baseball Tournament.

McGaw - Morris Rites At Calgary

McGAW - MORRIS

At a double ceremony held June 28 at St. Mary's Cathedral, Miss Mary Kathleen Agnes Morris, R.N., exchanged wedding vows with Mr. Gordon Alexander McGaw, both of Calgary. Rev. Father Connelly officiated at the wedding rites for the daughter of Mr. and Mrs. John E. Morris, formerly of Chinook, and the son of Mr. and Mrs. Albert M. McGaw, formerly of Champion, before the altar-banked with pink and white carnation and red gladioli.

For her wedding, the bride given in marriage by her father, wore a floor-length gown of white nylon net featured narrow panels of lace in the long full skirt with matching lace trim outlining the neckline of the long sleeved basque bodice. Lace also bound her veil of illusion net which fell to train length from a pearl encrusted coronet. Her only jewellery was a double strand of pearls, a family heirloom, and she carried a shower bouquet of red roses centred with white gardenias.

Miss Patricia Schwartz, R.N., was maid of honor and wore turquoise nylon net and marquisette, while Miss Isabel McGaw, sister of the bridegroom, the other senior attendant, was dressed in pale green lace and nylon net. The two junior bridesmaids, Miss Delores Morris and Miss Maureen Morris, sisters of the bride, wore similar frocks of yellow and mauve embroidered organdy and nylon net respectively. All the attendants wore elbow length mitts and shoulder length veils to tone with their frocks held in place by corsets of sweetpeas and they carried floral muffs of roses carnations and sweetpeas.

Attending the bridegroom were Mr. Allan Fath and Mr. George Hummel while Mr. William Van Duzen and Mr. Peter Schwartz were ushers.

The wedding music was "On this day O Beautiful Mother," "Ave Maria" and "Panis Angelicus."

A reception for 40 guests held in the Empress Hotel. Father Connelly proposed the toast to the bride.

For the honeymoon trip through the western United States, the bride donned a navy blue suit, matching that of the bridegroom. She also wore matching accessories and a white pyramid coat and at her shoulder was a corsage of white gardenias. On their return Mr. and Mrs. McGaw will make their home in Calgary.

Better-than-average Yield Seen

Perfect Summer Weather This Week Helps Crops

The weather this week has been just the kind that was needed—sunny and warm. Under the influence of clear skies and hot sunshine crops are making tremendous growth and are reported to be filling well.

Moisture reserves are considered to be sufficient in most parts of the district to carry the crop through to maturity. Crops are estimated to be from ten days to two weeks ahead of last year and present prospects are for a better-than-average yield.

There is reported to be a strong demand for good farm machinery. The recent steel strike cut down supplies of new machinery, with consequent improved demand for good used equipment.

Fire Damages Coal Shed

Prompt action by the volunteer fire brigade minimized damage and prevented the spread of the flames when a coal and storage shed behind the residence of Mr. and Mrs. Lowell Granlin caught fire at 1:30 a.m. Saturday morning.

A passing motorist noticed the blaze and awakened Mrs. Granlin to turn in the alarm, with the firefighters responding quickly. The fire was believed to have been started by sparks jumping from a nearby garbage can and damage was estimated at \$200.

Fair Notes

In Monday's parade, be sure to watch for the Lions Club float, which will carry the Princess and her ladies-in-waiting.

Judges for the exhibits and the calf show will be supplied through the courtesy of the Alberta Department of Agriculture.

The display of cut-away models of gas and diesel engines and talks on "Choice of Tractors," "Gas versus Diesel" and "Operation and Economy of Propane for use in Farm Tractors" will replace the electrical field day, which has been unavoidably cancelled by the Department. This exhibit should be of particular interest to farmers of the county.

Street decorations are being given special attention this year and directional signs will be placed at all strategic points.

Shields and trophies for the various events are now on display in a window of the J. Wolfe Hardware.

Don't miss the flower exhibits.

Rev. Jesske Guest Speaker

Hold Dedication Service Evangelical U.B. Church

Rev. T. E. Jesske, Sup't. of the North West Canada Conference of the Evangelical United Brethren Church, was the guest speaker at the dedication service of the Vulcan Grace Evangelical United Brethren Church, which was held Sunday, July 27.

He spoke on the theme "The Beauty of the Church," saying that true beauty is not found in the structure of the building, but in the way it opens its doors to and serves the community. He also said that the church was here not to be served but to serve, that many be led to Christ as their own personal Savior.

Three special numbers were rendered and the ladies chorus sang, after which a trio, "Shall We Gather At The River," was sung in Dutch and English by Misses Barbara and Joanne DeJong and Mrs. Tenkate. Mrs. Schneider sang "Open the Gates of the Temple," just before the message. Mr. Eric Deimert, accompanied by Miss Lenore Schierman played the musical saw for the offertory.

Mr. Dave Schierman gave a brief history of the church since its beginning. He quoted some of the figures of finances involved and also said that the lot was donated by his father, John Schierman, now of Calgary. Rev. A. W. Roth then expressed a vote of appreciation to all who donated of their means, their time and their

work. He also expressed his gratitude to the business men of the town who had given consideration to the church. He extended an invitation to all to come and worship God with them, and also asked for the prayers of all on behalf of the new work.

Meals were served in the basement of the church by the ladies of both the country and town churches.

At the morning service Rev. S. R. Schierman of Warner was the guest speaker. He spoke on the theme, "Oh Taste and See," saying we can only know the real values of a truth when we have an experimental knowledge of it.

The children sang "Bless This House" after which Rev. T. E. Jesske officiated at the baptism of the infant son of Rev. and Mrs. A. W. Roth. Following the message a large number gathered at the altar of the church for Holy Communion.

Rev. T. E. Jesske spoke again at the evening service, using as his central thought "To Be Like Jesus." Special numbers were rendered by church orchestra, Misses Betty Kaiser and Dorothy Schaffer, Mr. Simon Vanderploeg; Miss Lenore Schierman and Eric Deimert.

The entire day was a complete success, all who attended receiving a blessing.

Liquor Store Discussed

Dawson, Hansell Speak At Social Credit Rally

If residents of the Vulcan area want a liquor store established in Vulcan they must go about it in the right way, said Rev. Peter Dawson, Social Credit candidate for Little Bow in the provincial election, at a meeting Friday night attended by about 130 people.

It is the policy of the government to give the people what they want, he said. As M.L.A. for this constituency he had not received sufficient information to warrant asking that a liquor vendor's be established here, but the question of how to go about getting a liquor store would be answered after the election, he stated. No petitions had been received by the Liquor Control Board, he said, although four resolutions and fifteen letters have been sent to the Board, with some of the letters favoring the establishment of such a service here and others against it. Little Bow was one of twelve constituencies in the province not served by a liquor store, Mr. Dawson stated.

Answering criticism that he had done very little for his constituency in the 17 years he has been a member of the legislature, Mr. Dawson said that in 1946 he had worked to secure a \$7000 grant for Vulcan towards construction of the Memorial swimming pool and that this was the only constituency to receive such a grant that year. This year his efforts in co-operation with the Lions Club, have resulted in the plans to establish a community park adjacent to Champion. He had arranged for a delegation from this area to meet with the Minister of Telephones to discuss telephone service at Vulcan and had been instrumental in securing a community pasture for residents of the Milo-Lomond area. In addition, he had performed innumerable small services for his constituents. He had urged the removal of the one cent tax of agricultural gasoline, which had been done.

Answering criticism that the Social Credit government had forced the larger school divisions and larger municipalities upon the ratepayers, he stated that the act to set up the large school divisions was enacted by the U.F.A. government in April, 1935, before the Social Credit came to power.

Regarding highways within the Little Bow constituency, Mr. Dawson stated that government grants for highways and district roads in this constituency totalled \$974,000 between 1945 and 1950, of which \$758,256 had been spent on highways 23 and 24. This was above the average for all constituencies in Alberta during this period, he stated. The government has been generous in its aid to municipalities, he claimed, stating that in 1951 the County of Vulcan received \$237,447 in direct and indirect grants. The County's tax levy was \$32,655 and total income was over \$617,103. In the same year the M.D. of Barons received \$230,850 in direct and indirect grants, had a tax levy of \$482,000 and a total income of \$702,870.

Gas export is necessary for the province he said. If export of dry gas is allowed, petro-chemical industries will be established in Alberta that will give employment to many and will result in lower cost of propane gas and other by-products. What will be exported is just the residue—the dry gas that is left after the by-products have been extracted.

Hansell Speaks
Speaking in support of Rev. Dawson, E. G. Hansell, M.P. for Fort Macleod, urged the audience to support the Social Credit party. "Don't oppose the re-election of the government on the basis of such matters as roads and a liquor vendor's store," he urged. "This is no time for small thinking—elections are fought on bigger issues than that."

The world is sitting on a powder keg, he said, and the destiny of the human race hangs in the balance. If there is another war there will be no front lines—the lines will be any place there is a military objective and destruction and death will come from the sky without warning.

Social Credit, he said, is dedi-

New Oil Strike 'Most Encouraging'

Southern Alberta's most encouraging oil discovery so far this year has been recorded at a Vulcan area wildcat that is located about 60 miles south of Calgary and 13 miles east-southeast of the Shell well that found oil in the Madison limestone during May of this year.

The new Vulcan oil strike was made by the team of Husky Oil & Refining Limited and Phillips Petroleum Company of Oklahoma, on a farmout tract from Socony-Vacuum Exploration Company. The key well, Husky-Phillips-Vulcan No. 1, on 1st 8-13-16-24w4th, is half a dozen miles southeast of Vulcan town, 3 1/2 miles southwest of the Husky-Phillips-McGregor No. 1 abandonment and 23 miles north of Barons Viking oil wells. Discovery came during drillstem test in a formation believed to be the Basal Cretaceous sand. The oil sand was contacted at approximately 5,339 feet. One hour test, from 5,336 to 5,351 feet, flowed natural gas to the surface in 20 minutes, at estimated rate 25,000 cubic feet daily. Pipe recovery consisted of 400 feet of clean 35 degree API crude oil and 50 feet of oil-cut mud. At bottom of that drillstem test crew had opened up 12 feet of oil pay zone, and coring was being continued.

In addition to the farmout acreage from Socony, the Husky-Phillips team share in a sizeable acreage block in the vicinity of the discovery well. Interest in the discovery well and Socony farmout tract, which is Canadian Pacific Railway Company lands, is split 50 per cent to Socony and 25 per cent each to Husky and Phillips.

Meanwhile, Shell-C&E. No. 1 well at Vulcan has been plugged back to the Madison, to 7,235 feet, for production tests in that formation, in an effort to determine the commercial prospect of the 33 degree API oil that was found during early May. Owner of this well Shell Oil Company, drilled the venture on lands leased from the Calgary & Edmonton Corporation, and went down to 9,601 feet.

First Madison test at the Shell venture, from 6,633 to 6,676 feet, gave up 150 feet of oil and 130 feet of oil and gas-cut mud in one hour. Second test, from 6,658 to 6,691 feet, flowed gas in 15 minutes and yielded 1 1/4 hour recovery of 720 feet oil, 90 feet oil and gas-cut mud and 1,440 feet of sulphurous water.

Church Group Has Garden Tea

The July meeting of the Candle Light Circle was held at the home of Mrs. Howard Spaeth in the form of a garden tea. There were 25 members and 13 visitors present. Roll call was answered with a favorite hymn. Minutes were read and approved.

Following a brief business period the afternoon was spent in competing in the games supplied by the entertainment committee.

The August meeting will be a weiner roast at the Gordon Gardiner farm on Thursday, Aug. 14, with all husbands and families invited.

The meeting was brought to a close by a devotional thought brought by Mrs. Cecil Warden and a missionary talk on India by Mrs. Gordon Gardiner.

A delicious lunch was served by the hostess assisted by Mrs. Stewart, Mrs. G. Deal and Mrs. H. Rutberg.

To the Electors,
Little Bow Constituency

For the past month I have been calling on the electorate of this constituency. I have been successful in meeting many people and in many instances I have found people were absent on holidays or for some other reason.

I had planned on trying to call at every home in Little Bow Constituency before August 5th but, due to weather conditions and the size of the area, I find I will not be able to accomplish my wishes in this respect.

To those I have had the pleasure of meeting: I would like to thank you for the wonderful reception I have received. To those I have been unable to contact: I assure you it was only due to lack of hours that I have not made your acquaintance, and I regret this very much.

May I once again say: If you think we should have a change in Little Bow, talk it over with your family and neighbors, and

Church Rededication Well Attended

The United Church of Carmangay was filled to capacity Sunday, July 20 with the many people that were present for the rededication ceremony.

The Rev. J. S. Clarke of the United Church in Vulcan was guest speaker at the services and also with the assistance of Rev. Peter Dawson conducted the rededication ceremony at the conclusion of the Church service.

Mrs. A. M. Folk of Calgary, a former member of the church, performed the honors of unveiling the corner stone. Due to the weather not being too favourable the remainder of the service was completed in the basement of the Church.

Out of town visitors for the occasion were: Mrs. Mary Mercer of Strathmore, Mrs. Isiah Armstrong of Agassiz, B.C., Dr. and Mrs. Bryans of Lethbridge and Mrs. Shouclie of Calgary. Rev. and Mrs. J. S. Clarke, Mr. and Mrs. Guy Volsey and Mrs. Peter McIntyre, all of Vulcan and Mr. and Mrs. C. H. Gloer and Mrs. Latiff of Champion.

During the social period in the basement 85 names were signed on the guest book and a most enjoyable day was enjoyed and another milestone marked for "The Little White Church on the Corner".

Social Credit Meeting

The Social Credit meeting was held in the Community Hall recently with a good attendance. The main speaker for the evening was Rev. Dawson and he gave a very enlightening talk on the facts and figures of the Province of Alberta being closer out of debt than they are in debt.

Pictures of the general parts of Alberta were shown to give an idea of the many wonders we have in this small province of ours. Following the meeting the ladies of

the Social Credit Women's Auxiliary served lunch to all present.

Grandmothers' Tea

A party was held at the home of Mrs. Annie Roemmele recently honoring the grandmothers now living in Carmangay and former grandmothers of this district. Old-timers were talked over and commented on the great changes in the past years. Games were played and enjoyed, after which lunch was served to all. Out of town guests were Mrs. Folk of Calgary, Mrs. C. Collier of Vancouver and Mrs. Clarke of Burdette.

Legion Holds Military Funeral For Dr. Shulhan

The resounding, chilling, forever impressive and lasting notes of the Last Post and Reveille brought to a heart-rending climax funeral services for Dr. Shulhan, held from the Legion Hall in St. Paul recently. A large number of friends and Legionnaires attended the service, rigidly at attention as the last notes of farewell sounded before the cortege moved onto Saskatoon, home of his parents, where final services were held from the Greek Catholic Cathedral and burial took place in Woodlawn cemetery, Tuesday, July 8, 10:00 a.m.

Dr. Shulhan died suddenly on Thursday morning, July 3, after a short two-day illness in which he suffered a fatal heart attack.

He was born 34 years ago, graduated from High School and registered at the University of Sask. in the medical faculty. He finished his studies at the University of Alberta, graduating in 1944. For the next two years he served his country, after which he practised in Lethbridge and Carmangay. In 1948 he moved to St. Paul as a partner with Dr. F. R. Decosseto in establishing the first clinic in the town of St. Paul.

He accepted his responsibility in the community very seriously and became an active member of the curling club of which he was a director. Being a veteran he belonged to the Legion and held an executive position until the time of his death.

Funeral services were by the Parkdale Funeral Home of St. Paul and were held in the Legion Hall and conducted by Rev. L. Thurston and lovely hymns were rendered by the choir under the direction of Mrs. Margaret Decosse.

The eulogy was made briefly by Rev. Thurston on the promising medical career of so young a man who was taken away from society at the prime of his life and at a time when humanity was in so dire need of his services.

Pallbearers were Messrs. P. J. LaBoucane, John Pross, Alec Tanna, Wm. Taylor, Dr. F. Cleall and Dr. E. Johnston of Edmonton.

He leaves to mourn his loss, besides his loving wife Weida, one son, Guy age four; two daughters, Susan, 2, Donna, 5 months; his parents, Mr. and Mrs. H. Shulhan of Saskatoon and one brother William, also of Saskatoon.

Tribute To Dr. Shulhan (From St. Paul Journal)

In a factual obituary it is hard to express the full sense of loss felt and do complete justice to the deceased. Bearing in mind that we in a small community always feel a more poignant loss at the time of death of one of our small families because our lives are more intimately woven that that of our counterparts in the larger centres, there are times when a greater bereavement is felt at a sudden demise and especially so when it is associated with a prominent and essentially important member of our community.

Such was our feelings when we were informed of the almost unbelievable passing of Dr. Shulhan. His illness was so short and nearly unknown. His life with us until

a few days from his dying hour had been normal, occupied in the pursuit of his profession and social activities with no warning pending his doom. After the news it took verification before our worst fears were confirmed and even then the mind would not accept the dreadful truth.

Mike, as we familiarly knew him, and speaking on the part of the writer, was one of our youngest generation, continuing in the footsteps of our elders, moulding the future and destiny of our town. His loss is two-fold in that community is not only losing one of its social stalwarts, but a man whose profession was essential to the welfare of the district in which he lived. The void left will be hard to replace. As a medical man Mike, in the short initial years of his practise, had gained the complete confidence of all those who came in contact with

him, impressed humanity with his high sense of duty, naturally serious, nevertheless maintained a keen and rare sense of humor that would burst out spontaneously to comfort a patient or delight a friend.

A lusty young man falling like autumn leaves from the tree of life, the memory of his departure will leave a wintry pall on the life of the community and of those to whom he was so dear.

Better than eulogy can tell it, the people of St. Paul know what Dr. Mike was and has done for the short time he was with us in practise here.

It is with an equal sense of loss, sharing with the grief of the stricken family that we tender our sincere sympathies to the bereaved family, his father and mother, his brother, and especially his loving wife Weida and his three small children.

BETTER DEAL
FOR YOU

★ THE LIBERAL PROGRAM

A BETTER DEAL FOR YOU, the local ratepayer

A Liberal government will pay —

- 50% of the over-all cost of your children's education.
- 80% of the cost of welfare services.
- Double the present grants for your district roads.

A Liberal government will provide —

- Interest-free loans for schools and hospitals in your community.

A Liberal government will restore and maintain local independence in Municipal affairs.

THIS WILL CUT YOUR TAXES!

NATURAL RESOURCES—Coal, Oil, Natural Gas,
Forests, Water Power.

A Liberal Government Will—

- Provide adequate research facilities to develop additional uses for our coal.
- Use Alberta's natural resources for the benefit of Albertans.
- Give preference to Canadian citizens in leasing oil, gas and mineral rights from the government of Alberta.
- Pay a royalty of 2½% to the surface owner on all crown-owned leases.
- Force performance on all oil and gas leases and cancel on default.
- Put a stop to the Social Credit policy which keeps the price of gasoline and tractor fuel high.
- Act immediately to bring the benefits of cheap power and gas to all Alberta citizens.
- Consider the export of gas only after it is satisfied that Albertans have been fully protected as to price, supply and economic advantage — and the people have approved this action by plebiscite.
- Put a stop to the continued policy of neglect of our forests and streams, including fish and game, and substitute for it a policy of conservation, designated to perpetuate our resources.

Not until these policies are enforced will all Albertans share in the wealth of our natural resources, which is our heritage.

This Will Bring Us All More Prosperity!

HIGHWAYS

A Liberal Government Will—

- Bring to an end Social Credit policies which have wasted millions of dollars on highway construction.
- Build safe—all season—all-weather roads.
- Build highways that will stay built.

AGRICULTURE

A Liberal Government Will—

- Restore to agriculture the prominence it deserves in the functions of government. Provide legislation to help the farmers create and control their marketing agencies.

EDUCATION

A Liberal Government Will—

- Again emphasize the teaching of reading, writing and arithmetic.
- Establish educational facilities to prepare our young men and women to fill the important positions in industry which will be created by our policy of development of our natural resources for the benefit of Albertans

Rural Electrification

A Liberal government will bring power to the farmer's door, at a price he can afford to pay—and do it quickly.

HOSPITALIZATION

A Liberal Government Will—

- Make it possible for Alberta communities to build hospitals when and where these are needed.
- Provide hospitalization that will prevent illness or accidents from becoming a financial disaster to any Alberta citizen or family.

HOUSING

A Liberal government will co-operate with the federal government under the National Housing Act to provide serviced lands at a reasonable cost for house building purposes.

LABOR

A Liberal Government Will—

- Bring industries to Alberta, which will give you more and better jobs.
- Invite representations from and keep the door open to responsible labor leaders at all times.
- Appoint a minister with exclusive responsibility for labor.
- Make Alberta the best place in Canada for the working man or woman.

This Will Give You More For Your Tax Dollar!

● WE ARE PROUD OF OUR CANDIDATES!

The men and women who are running under the Liberal Banner in all parts of the province are the finest group of candidates ever offered to the voting public. They have gained respect and admiration in their community. We are proud to have them supporting the Liberal program. Our party program is sound, practical and of benefit to every Albertan. Our candidates are men and women capable of carrying it out. Vote for the best candidate in your constituency.

Champion

Mr. and Mrs. W. F. Bozarth of Champion celebrated their 25th wedding anniversary on July 14th with a family dinner at the home of Mrs. Bozarth's sister, Mrs. L. A. Johnson in Calgary, assisted by another sister, Mrs. E. G. Willis of Calgary. A three-tiered wedding cake, beautifully decorated and topped with a bride and groom centered the lace-covered table. The table itself was enhanced with a floral decoration of sweet peas and carnations. The honored couple were presented with an occasional chair and coffee table. Their daughter Mrs. Frank Henry and family were present, it being their wedding anniversary also. There were 24 present, out of town guests being Mr. and Mrs. A. W. Cook and family of Trail, B.C., and Mr. and Mrs. Roger Hubbard of Champion. The next evening Mr. and Mrs. Bozarth were pleasantly surprised when a number of friends and neighbors called at their farm home in the Champion district.

Visitors at the home of Mr. and Mrs. Albert Orcutt on Saturday, July 19 were Mrs. Orcutt's aunts, Mrs. F. Shapell, of Portland, Ore., Mrs. H. Boggan of Lewiston, Idaho and Mrs. C. McKinley of Butler Missouri.

Mr. and Mrs. J. A. Miller of Strasburg, Sask., visited at the home of the former's brother and sister-in-law, Mr. and Mrs. C. J. Miller one day last week.

Mr. and Mrs. F. W. Cook and family of Trail, B.C. were house guests at the home of Mr. and Mrs. W. F. Bozarth for several days last week.

Mr. and Mrs. Clyde Coe and Mr. and Mrs. Albert Orcutt were Calgary visitors last week to visit with Mrs. Orcutt's brother-in-law, Mr. Arthur Williams. Mr. Williams underwent a serious operation several weeks ago when he had his foot amputated. He is a patient in the Holy Cross Hospital.

Mr. and Mrs. A. Howerton had as their house guests last week Mr. and Mrs. Reg Clifford and daughters, Frances and Sylvia, of Lucy Lake, Sask. Mr. and Mrs. Clifford's youngest son, Marvin, who is with the R.C.M.P. at Wetaskiwin, spent Saturday of last week at Howerton's.

Mrs. Wm. Vickers has returned from Rochester where she has been receiving medical treatment.

Dick Jopling of Calgary is spending several weeks holiday at his home here.

Mr. and Mrs. Ernie Nowlin and family spent last weekend visiting relatives and friends at Creston, B.C.

Mrs. Gordon Stewart left last week for a short holiday in the Mrs. Chauncey Tuttle.

Rev. Leslie Crawford of the Sudan Interior Mission will be in town on Sunday, August 10, and mountains in the company of her brother and sister-in-law, Mr. and Mrs. Paul McDonald of Booth Bay Harbor, Maine.

Mrs. Emily Fraser spent last weekend in Calgary visiting her daughter, Miss Gloria Fraser.

Miss Lee Marie Howerton accompanied by Mr. and Mrs. Reg Clifford and family, spent Saturday in Lethbridge.

Stavely and Claresholm played the final game in the Champion Lion's Club Ball Tournament on Thursday evening, July 24. The battery for Stavely was Sagstone and Fredricks to Lemon. For Claresholm the battery: Allie McDonald and Hubert Glenn to Ward McDonald. The final score was in favor of Stavely 6-4.

Mr. and Mrs. Jacob and family have recently returned from a holiday spent in Yellowstone Park.

Over 100 adults and 25 children attended the "Come and Go Tea" at Mrs. Bessie Siler's on Saturday, July 26th. The W.A. wish to thank everyone for their generous support.

Guest at the home of Mr. and Mrs. Con Hartung is Mrs. Barbara Gross of Calgary.

Cliff Miller left on Sunday night for Cupar, Sask. to attend the funeral rites for his brother, Stan who passed away very suddenly on Saturday.

Mr. and Mrs. A. Schmidt and family and Mr. and Mrs. Jake Hartung and family were Sunday dinner guests at the home of Mr. and Mrs. John Schierman at Vulcan on Sunday.

What You Should Know About Rural Electrification in Alberta

Q. How much would it cost to electrify all the farms in Alberta?

A. It is estimated it would cost possibly 200 million dollars, or more than twice the present total provincial debt.

Q. Who would actually pay for so-called "FREE" electrification of the farms?

A. Everybody would have to pay. The government would have to borrow the hundreds of millions of dollars required; and repay it plus interest by increasing everybody's tax bill — including yours.

Q. Who pays the cost of farm electrification today?

A. Only the farmers who want electricity. They pay for it only when they get it.

Q. Are Alberta farmers getting rural electrification today as cheaply as possible?

A. Yes, they are getting it at cost.

Q. Are Alberta farmers getting rural electrification today as quickly as possible?

A. Yes. Rural electrification is going ahead in Alberta at a rapid pace — as fast as man-power and materials will permit. For instance, the Power Companies in Alberta purchased every pole which was available from all suppliers everywhere last year for farm electrification.

This year, every pound of wire to which Alberta was entitled, by allotment from the Steel Controller for farm electrification, has been purchased.

Under the Rural Electrification Co-Operative Association plan, operating in Alberta today, the farmers are HELPING THEMSELVES to Farm Electrification — by the thousands each year. By helping themselves they are doing it at lower cost than could be done in any other way — and doing it without raising THEIR OWN TAXES OR YOURS EITHER.

MAJORVILLE

Mr. and Mrs. H. Fuller were Calgary visitors last week.

Mr. and Mrs. Leslie Greaves were guests last Sunday at the Hugh Winch home.

Mr. and Mrs. L. Voors and Mr. and Mrs. S. Henry have returned home after spending a few days in Montana.

Mr. and Mrs. Burton Hingley took a trip through the Rockies to Golden.

En route to their home in Red Deer from a vacation in the States, Mr. and Mrs. Alan Yule spent a few days with the latter's brother, John Bartsch and Mrs. Bartsch.

Geo. Heather was a visitor to Brooks and Duchess last weekend accompanied by Cliff Chadzie of Chilliwack, B.C. who, with Mrs. Chadzie, spent a few days at the Heather home.

Mr. and Mrs. Lewis Greaves and family went to Gleichen last Sunday where they visited Mr. and Mrs. Jack MacArthur.

Mrs. Sutherland, Mrs. Bartsch, Mrs. Leslie Greaves, Mrs. Fuller, Mrs. Lewis Greaves, Mrs. Francis and Lois Henry were afternoon tea visitors at Mrs. Clemmon's last Friday.

Chris Nelson and Mickey McMann are in Bassano hospital with head and face cuts following an accident just west of Lewis Greaves' when the car driven by Bob Fitzpatrick, in which they were returning from the Gem Stampede, failed to make a turn and hit a bank. The other two occupants, Artie Nelson and Jack Long escaped injury except Jack had to have a finger nail removed. Bob was also unhurt. Lewis Greaves took the boys to Bassano following the accident.

Mr. and Mrs. Clemmons and Bert spent the weekend in Brooks.

Mrs. Bartsch was hostess for the July meeting of the P.W.U.A. There was a nice turn out of members and visitors. As some confusion had arisen when the meeting had to be postponed on account of rain the members decided should such an occasion arise again it will be definitely understood the meeting will be held one week later. A paper contest resulted in a tie. Winners being Mrs. Fuller and Mrs. Sukut. Mrs. Winch won the tea raffle. Dorothy Winch gave an interesting report of her attendance at the Farm Young Peoples' Week in Edmonton. A lovely luncheon brought a nice afternoon to a close. Mrs. W. Monner and Mrs. Lewis Greaves were assisting hostesses. Next meeting to be held at Mrs. Klemme's.

Klemme - Koch
A wedding of interest to the community was solemnized in the St. Patrick's Catholic church in Lethbridge when Ernest Klemme was united in marriage to Laura Koch of Lomond. Ted Klemme was his brother's best man and Grace Klemme, the groom's step-sister was bridesmaid. Ernest is a son of Geo. Klemme.

Attending the wedding dance in Lomond in the evening from Majorville were Mr. and Mrs. Fuller, Mr. and Mrs. B. Dew, Mr. and Mrs. H. Winch and Dorothy, Mr. and Mrs. Bartsch and Mr. and Mrs. A. Yule of Red Deer. Mrs. Yule was Ernie's first teacher at East Majorville school.

ARMADA

Born to Mr. and Mrs. Edward Rostad of Chaplin, Sask., a son, Dale Kenneth, 6 lbs. 10 1/2 oz., on July 21. Congratulations. Mrs. Rostad is the former Mary Urdal. W. Marks was a Lethbridge visitor on Wednesday.

Miss Mary Magella is at present employed at Shaughnessy.

Miss Ruby McLeod of Champion is a visitor of her aunt, Mrs. G. Stokes. Larry Erickson of Calgary is also a visitor at the Stokes home.

Around 20 ladies of Armada and surrounding district gathered at the Legion hall Monday afternoon in spite of the rain to honor Miss Clara Magnusson with a miscellaneous shower. A "Baby Name" contest was enjoyed by the ladies with the prize together with all the names being presented to Clara. A tree contest was won by Mrs. Root and a jumbled word contest prize going to Mrs. L. Skovtine of Lomond. Another advertisement contest was won by Clara. After an enjoyable social period a gall decorated table laden with many lovely and useful gifts was presented to Clara by the Club president, Mrs. E. Howell. After the opening of the gifts, Miss Clara Magnusson very gracefully thanked the ladies for the gifts and the enjoyable afternoon. Lunch was then served by several ladies of the district.

Mrs. C. Boe held a tea party on Friday afternoon in honor of her sister, Mrs. Allen. Several old-timers of the district were invited and the afternoon was spent reminiscing old days and experiences. Mrs. Boe then served a delicious lunch bringing a delightful afternoon to a close.

Mr. and Mrs. M. Bakken and Mona of Vulcan and Miss Earlene Anderson of Milo accompanied Mr. and Mrs. Art Marks and Myrna picking berries at Carseland on Sunday.

LOMOND

Mr. and Mrs. Harvey Smathers and family have moved to Vauxhall where Mr. Smathers will be employed.

Miss Connie Erskine of Calgary is spending her vacation at the home of her parents, Mr. and Mrs. Norman Erskine.

Miss Darlene Smathers and brother Master Darrell Smathers are visiting their grandparents in Spring Valley, Sask.

Mrs. Frieda Hammer and daughter Marjorie spent last weekend visiting relatives and friends in Vauxhall.

No ball game was played in Lomond last Sunday due to the rain but a doubleheader will be played this Sunday, July 27 between Enchant and Lomond. They are both league games and are supposed to start at two o'clock.

Marie and Frank Cherka returned home Monday after spending exhibition week in Edmonton visiting their mother.

The Birthday club met at the home of Mrs. A. Volesky on Thursday, July 10th for their regular monthly meeting. Ten members and two visitors were present. After the business meeting a contest was held and won by Mrs. Jack Teasdale. Mrs. Teasdale also won a raffle that was held at the meeting. A very delicious lunch was served by the hostess.

Mr. and Mrs. Leland Cochrane of Orion, Alta., spent two or three days last week at the home of Mrs. Cochrane's parents, Mr. and Mrs. Roy Witting.

A shower for Mr. and Mrs. Doug Walker, sponsored by the Lomond Community Club was held in the Community Hall on Tuesday afternoon, July 15. There was a good

attendance and the young bride received many lovely and useful gifts.

Mr. and Mrs. Ed Rainey were business visitors in Lethbridge last Wednesday.

A very enjoyable time was had by the people attending the wedding dance of Mr. and Mrs. Doug Walker held in the hall on Friday evening, July 18.

No Better Engineered TRUCK at Any Price!

Let the facts show you why a Chevrolet truck means dollars-and-cents savings!

Size up the four facts at the right-hand side of this page. They lay it on the line — the reasons why a Chevrolet truck cuts down your hauling or delivery costs on any job you want to name.

But there's more to it than that. With all its savings on purchase price and on-the-job costs, a Chevrolet truck is the greatest truck to drive you ever got your hands on. Easier Recirculating Ball Bearing Steering. Clutch smooth and easy. Fast, quiet Synchro-Mesh transmission that eliminates double clutching. Roomy cab with five feet of hip room, ventipane windows, and seats with double-deck springs. And for increased safety and comfort, Chevrolet trucks offer GM "Shade-Lite" Glass with the exclusive shaded windshield which greatly reduces glare and heat. (Optional at extra cost.)

Chevrolet is first in operating cost per ton mile. See them in our showroom today.

Television May Arrive Soon In Southern Alberta

GREAT FALLS, Mont.—Latest word from Ottawa is that southern Alberta must wait about three years for television—but it probably won't be anywhere near that long.

It might be just three months. However, it will be a strictly non-Canadian, non-CBC controlled product that will likely first find its way into the living rooms of southern Alberta homes.

While Canadian Broadcasting Corporation officials at Ottawa move slowly with a government program that skips every city between Winnipeg and Vancouver for at least three years, private enterprise in Montana is already geared to construct TV stations within easy range of sections of southern Alberta.

Great Falls with a population of about 40,000 compared with Calgary's 140,000, has already filed application for TV rights with the United States Federal Communications Commission.

Some Great Falls citizens are openly talking of home-produced TV by the time of the North Montana State Fair in the first week of August.

More conservative people talk of TV by Christmas.

"A fair guess would be that consideration of the application will be given in September," declared an official of a Great Falls radio station.

If the application is approved, rapid installation of TV facilities could be expected. Preliminary organization for the eventuality has already gone so far that sponsors are available for programs.

Butte and Helena are also understood to be well up on the F.C.C. "consideration list."

We don't know all the details and dates but I think it is well beyond the wishful thinking stage," said a Great Falls radio man. "When we get the O.K. we will be ready to move fast. It isn't too wild a guess that southern Alberta

This Service Of Life and Humanity

You love life! You want to live and so do millions of other Canadians. That is why the Canadian Red Cross Blood Transfusion Service was formed and has reached the heights it maintains. This service wants you to live, it goes much farther than that, it helps you to live and gives you the opportunity to help, too. You are the mainstay of this work of humanity, by becoming a donor or an active booster, you are helping not only yourself but others.

No one knows when a catastrophe may overtake us, you or I may be next! No one knows when a bottle of this Miracle Fluid might be the means of saving your life or mine.

It is no idle boast to refer to a blood donation as "Miracle Fluid" it is exactly that! Do you realize that the most brilliant scientist in the most up to date laboratory can not make as much as one tiny teaspoonful of it? More than that, they cannot make a true substitute for it. You and I and our good neighbors are the only source of supply. All we are asked to give is one small amount, less than a pint, of the 13 pints we normal humans have . . . and of course some of our valuable time. Often we feel we could spare the blood far easier than we can the time. Please bear with us . . . we waste no time . . . nor one precious drop of YOUR "Miracle Fluid."

When you are asked to give a donation of blood for your blood bank you can rest assured that your system will make up the loss of fluid content in a few hours and in two or three weeks your blood will be back to normal.

could be getting our programs within a year."

That would still be about two years ahead of present CBC plans for the prairies. —Calgary Albertan.

Letters to the Editor

Dear Mr. Editor:

I would like to answer the two letters on your editorial page last week, July 17. Both together as they are as one.

First and foremost to get down to solid ground, to rock bottom on all subjects.

First: Do the people want Social Credit? Yes. Because they have voted it in since 1935 with a big vote, so why you little fellows on the sideline talk so much. Be honest and see through instead of staying back in the old horse days.

The first government Alberta ever had was in 1905. I was ignorant to the cause then, and voted for Dr. Stanley, for he was my Sunday School teacher. I voted for the man and that you can't do. He was a Conservative, but the Liberals got in. They were in from 1905 to 1921, 16 years. Then came the U.F.A. 1921 to 1935, 14 years. Then in 1935 came Social Credit to 1952, 17 years. No other government has ever put out a booklet to show how much money was made or how it was spent, where the people's money had gone. We will soon be debt free and then

they work to free us of taxes. God gave you brains, use them! The people with a good sound mind, see and say. As long as they stay honest and do like they are doing, we will keep them there. And Mr. Man, as long as we haven't a liquor store they won't spend their money so freely in liquor. If not drunkards, what do you call them. Not gentlemen, the people don't want them, if you do Mr., go to another country where you can get it. Alberta is too good for the like. But it too is going too fast.

Enough said, now for some things in the other letter.

The man that contributed to the Church, why do you do it? There is only two roads to travel, one to Heaven and the other is to Hell. Don't blame me, I am only saying what my Bible says. You were born for this earth. You have to be born again. St. John 3-3 That's except Christ, to get to Heaven. Jesus is a gift. Even your prayers don't get to Heaven. Till you pray the sinners' prayer, God be merciful to me a sinner and save me for Christ's sake. And believe it and live it. The Bible says a little wine for the stomach's sake. I often wonder how some people would feel if they did go to heaven when they are so uncomfortable down here, when some one says something about the Bible, you say hypocrites. What is a hypocrite? Think it over. Job 36-13-14; Matt. 6-2; Matt. 22-18. That's enough on that. Then thousands of heroes and gentlemen from the war. The biggest hero we have today is the man that can say no? Thank God we are with that man. Yes, he is a gentleman. Yes God has got the fortitude to tell you how he gave His Son as a gift for to save you from this very thing. Its up to you to open the door. He stands at the door and knocks.

Now I have something to say for myself. I hope people have the fortitude of mind to vote for Mr. Dawson, as for another man on the side bench can't do you any good. But before another election comes in, get out as you should to the nomination convention and nominate another good Social Credit man that will show more action. Mr. Dawson we have to give credit, he hasn't been a backslider in Social Credit. But he hasn't the forcefulness he could of had on public works, getting that road built up from the corner store to the lake—to High River. It has to have a bottom, it is a basin through there, even if it has to be graded lightly a couple of times and each time graded so it will have a solid bottom, so it can be hard surfaced. Get petition signed right away and send it to Manning to pass on to the public works. If they have to make it higher, have them make it wider as they started out to do, but I think they should grade and gravel it three times anyway, then the hard surface, so it wouldn't break up—or it will be harder to keep than the road to Calgary. When they grade it the last time see all farmers that own land, know they can get seed free for hay to be cut by them for feed and it does away with the trouble of weeds and when cut doesn't hold snow in winter. You better see its graded right to Vulcan and gravelled again too, also seeded to prevent weeds. "One for Right & Justice"

Our broad land: It is 4,543 miles from St. John's, Newfoundland, to British Columbia's Prince Rupert. Half of all Canada's dentists graduate from the University of Toronto.

County Fair INFORMATION

The arena will be open Saturday afternoon and Sunday for exhibitors to bring in their entries. Watchmen will be on duty day and night to safeguard all entries against damage or loss.

Classes are arranged for all kinds of vegetables. Some of these classes were overlooked when the fair booklet was issued but provision has now been made for them.

Through the courtesy of the L.O.O.F., ladies' and gentlemen's rest rooms will be maintained at the Curling Rink both fair days

The Pet Parade will be held in front of the Arena at 2:00 p.m. Remember kids — the more kinds of birds, animals, reptiles, etc., the better. Ribbons and cash prizes will be awarded.

All those entering the parade are asked to be at the assembly point at 11:30 a.m. or earlier.

The Calf Judging and Livestock Show will be held near the Arena at 3:00 p.m.

Sponsoring bodies of the various Princess Candidates are reminded that all tickets must be turned in and accounted for by 10:00 p.m. this Saturday night, August 3. See Arnold Lloyd at Lloyd's Jewelry.

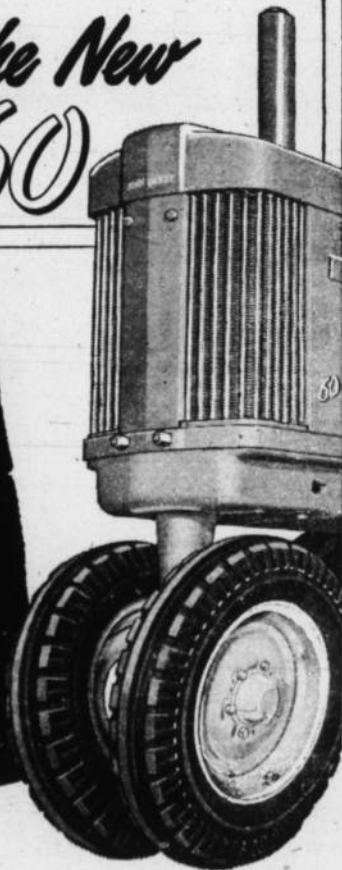

It is regretted that the Electrical Field Day planned for the Tuesday program will not be available. To take its place the Department of Agriculture has arranged a display of cut-away models of Gas and Diesel Motors and an expert will give talks on (1) Choice of Tractors, (2) Gas versus Diesel, (3) Operation and Economy of Propane for use in farm tractors. The display and talks will be held in the Arena, with the first talks scheduled for 10:00 a.m. and to be repeated in the afternoon and in the evening if interest warrants it.

The 45-piece Beiseker Lions Club Community Band will be a highlight of the opening parade. Monday noon and will also give a Band Concert near the arena in the afternoon. The street in front of the arena will be blocked off Monday afternoon to provide space for the Pet Parade and Band Concert.

LOMOND

Mr. and Mrs. Floyd Wolfe and daughter Irma of Calgary are visitors at the home of Mrs. Wolfe's sister, Mr. and Mrs. Stan Craig and family.

Miss Shirley McAllister is visiting her sister Mrs. Roddy Valle of Armada.

Mr. and Mrs. B. H. Skeith and Sharon are spending a week at Waterton Lakes.

Alec Montgomery was a business visitor to Brooks one day last week.

Harvey Smathers of Vauxhall was a visitor to Lomond last Thursday.

The Lamb Construction Outfit has moved into Lomond from Travers. They are going to highgrade the road from the County line into Lomond.

Mr. and Mrs. Hirst Goldthorpe and son Keith returned home Sunday after spending a week's holidays in Dauphin, Man. While there they visited Gordon White of the R.C.M.P.

The Lomond ball team won the double header games played in Lomond on Sunday, July 27 between Enchant and Lomond. The first game was a league playoff game. Score was 12-7. Second game was an exhibition game. Score was 9-8. Lomond did very well indeed on Sunday as a few of the players were away. They had just nine ball players, so they had to play to win. Lomond has to win three games out of five now from Turin in order to win the cup. We think that will be easy, the way the boys have been trying this year. There will be another doubleheader in Lomond next Sunday, Aug. 3 at 2 o'clock between Turin and Lomond.

EASTWAY

Mr. and Mrs. Joe Sultor and Bernard left for a holiday last Thursday.

Joe Crossfield left on Wednesday for a holiday at Vernon, B.C.

Mr. and Mrs. W. Burgess and Shirley visited Mr. and Mrs. Herb Willoughby of Blackie on Sunday. They picked up and did some berry picking.

Mr. and Mrs. Ed Grondin were berry picking on Monday north of Blackie.

Mr. and Mrs. Earl Burquist of Carleton Place visited at the two Washburn homes on Sunday.

All those wishing to send woolens are reminded to leave them at the Howard Tharlie home right away.

Mr. and Mrs. Albert Hill and Mrs. Jim Hill of Coleman visited at the R. N. Hill home on Sunday. They were accompanied by Mr. Ada Hill who returned home after a two weeks visit in Coleman and Montana.

Mr. and Mrs. R. M. Stein and son John of Calgary were recent visitors at the homes of J. R. Steinn and Mr. and Mrs. Reg. Stein.

Mr. and Mrs. Cox and Mr. and Mrs. Swallowell and children of Justice, Man., visited at the J. R.

Stein and Ivo Love homes. Mrs. Cox is sister of Mrs. Stein and Mrs. Swallowell is a niece of Mrs. Stein.

Miss Melba Stein is visiting in Calgary this week.

ENSIGN

Mr. and Mrs. Elmer Hanson are holidaying at points in the U.S.

Mr. and Mrs. G. Mooney and Mr. and Mrs. Russell Markert spent last weekend at Great Falls.

Mr. and Mrs. Geo. Flebotte had as their guests on Sunday, Mr. and Mrs. Joe Oullette and Mr. and Mrs. Belanger of Calgary.

Mr. and Mrs. G. Flebotte, Mr. and Mrs. B. Brown, and Mr. and Mrs. Bert Larsen and girls spent a few days on a camping and fishing trip at Trapp Creek last week. Sorry to hear that Jack McFadden had to return to the local hospital again. A speedy recovery is extended to him.

We had two lucky people in the district, B. Brown winning first prize in the Vulcan Pike Derby, and Harold Hansen won the Waif Iron at the Simon's Food market on Saturday night. Congratulations to both of them.

Mr. and Mrs. Bill Turley, Mr. and Mrs. L. Elston, Mrs. M. Dana and baby daughter and David Rich are spending a few days holidaying at Banff. From Banff Mr. and Mrs. Elston will leave for their home at Spanaway, Wash. En route they will visit with their son-in-law and daughter, Mr. and Mrs. Lloyd Biegnell of Trail, B.C. Mrs. Ed Kennedy and daughter June are holidaying at Vancouver, B.C.

Mr. and Mrs. Eric Brown and family have returned from a holiday spent at Yellowstone Park and other points in the U.S.

Mr. and Mrs. Stewart Barker and Donna of Abbotsford, B.C. former residents of Ensign visited with a few friends in the district while passing through on a trip to Saskatchewan.

The Ensign Ladies Community Club will hold their monthly meeting on Wednesday, Aug. 6. Any visitors are welcome.

Mrs. Pauline Young and children of Calgary are visiting with Mrs. Young's sister, Mrs. Paton.

MILO

During this past week various crews of men have been following the miles of the planned power line tamping the towering poles firmly in place. Response for the work was fairly good, but even though the company is owned by the farmers who receive the electricity, there were a few who did not show up to donate their two days work. Such a thing would have been unheard of in Germany during Hitler's regime but it seems like where freedom exists so does backsliding. However, the work of setting and tamping is completed and the line is almost ready for wiring men to come and finish the job.

Mrs. Bob Umschied gave a tea on Thursday for Mrs. Vic Black

from Calgary who was her guest for the week. Mr. Black has been working in the Milo district for some time now as supervisor and field manager for Calgary Power during the installation of the rural line.

Mr. and Mrs. Hake Waser of Vallejo, Calif. are visiting the latter's family and friends in the district. They are accompanied by Mr. and Mrs. Bob Nolan also of California.

It appears that this year the men of the community have on a fishing splurge of some kind. They all seem to want to leave these prairies and head for the cool, cool mountains and the trout streams. Who can blame them, except their wives? Among those at present absent on just such an excursion are Wilbur Monner and Con Peterson who have gone to B.C. somewhere. Also Miles Clemmons, Jack Shield and Clarence Umschied have quit the country for a jaunt up the new highway from Waterton Lakes to the Highwood. Ian and Robby Thomson and Donald and David Deitz and Leslie Beckner spent a few days up on the Highwood. They even caught some fish according to them.

Mr. and Mrs. John Papp drove to Calgary to meet the latter's parents, Mr. and Mrs. Steve Williams who flew in from Vancouver. Mr. Williams was seriously ill this spring and has been on several months sick leave from his job as farm instructor on the Blackfoot reserve. They spent some time with their youngest daughter Mrs. Jim Fenske in Portland, Ore., then went to Vancouver for several weeks with another daughter Mrs. Murray Van Camp. Mr. Williams is convalescing very nicely now.

seriousness of the inroads of noxious weeds onto the roadsides and some of the very best farm land. The presence of sloughs and bodies of water of varying sizes makes control rather difficult in some cases; but with the development of chemicals such as we have today it is possible to control and in a large number of cases to actually destroy, some very stubborn weeds. The identification of certain weeds such as Hoary Cress, Leafy Spurge, Toad Flax etc., is very important as it gives the farmers a chance to destroy them

before they become properly established.

Sow Thistle is also appearing in many places and is easily recognized now that it is in blossom. There are a number of small sprayers coming on the market which we think would be well worthwhile for any land owner to have and the cost is not too high. The Service Board is trying to give some assistance along these lines as we spoke of in a former article.

The date for the County Fair will soon be here and your service board plan to have a booth, so be sure and call around:
